

**Dear Friends and Family**

Thank you so much for continuing to partner with us financially and in prayer. We pray that we will be good stewards of the time and position that God has given us here with GoodSeed and that God will bless you for your part in this work.

As another year comes to a close we want to take the opportunity to update you on what has been happening in our lives and in the work of GoodSeed this year.

The Musical project that Allan has been working on over the past few years has been tough, slow going and full of set backs. This summer we saw a real breakthrough in it. All the music was "completed", narrative was written and Allan put together a choir to perform it in front of about 100 GoodSeed staff members and supporters. It was very encouraging to get a positive response from all who attended. The musical still needs some fine tuning before it can be

made available for churches to use for outreach events. Please pray for Allan as he works to complete this project. Another test performance is scheduled for February.

Allan is currently working on recording an audio book. He spends his mornings recording and the afternoons editing. Please pray for the readers, that their voices will not tire from the reading. And pray also for quiet in the studio. The office building is in an industrial area so a lorry or train going by is all it takes to interrupt the recording.

Benjamin has had a busy autumn this year. He is involved in his usual activities: ice hockey, piano and AWANA. He also had the privilege of joining the High School play. Though a hectic schedule, it was a great experience for him. His last 3 performances are this weekend.

James continues to do well and has been in good health. Micah has started attending a play school 2 afternoons a week. He really enjoys this.

Please continue to pray for Judith as she continues to interact with other mums in the area. She has been able to build some good friendships with non Christian women in the town but it isn't always easy to get (or take) the opportunity to share the gospel with them.

We wish you all a very merry Christmas and God's blessing in the year to come.
